It is ultimately the responsibility of treating practitioners to use their professional judgment to determine the most clinically appropriate services to provide and ensure that any services billed to Medicare fully meet the eligibility requirements outlined in the legislation.

Legislation can be found at: [Health Insurance Legislation Amendment \(2021 Measures No. 1\) Regulations 2021](#)

From 1 July 2021, the 3 series and 5 series angiography items will be replaced by a single item based on clinical indications and complexity, with all components of the Selective Coronary Angiography incorporated into the new item. For example, prior to 1 July 2021 - claiming items 59925 + 38218 = 38244 (after 1 July 2021)
