Consultation Survey on MSAC Application 1677

Pharmacy Diabetes Screening Trial

Please use this template to prepare your feedback on the Pharmacy Diabetes Screening trial. You are welcome to provide feedback from either a personal or group perspective for consideration when the application is being reviewed.

The data collected will be used to inform the Medical Services Advisory Committee (MSAC) process to ensure that when proposed healthcare interventions are assessed for public funding in Australia, they are patient focused and seek to achieve best value.

You may also wish to supplement your responses with further documentation or diagrams or other information to assist the Department in considering your feedback.

Thank you for taking the time to provide valuable feedback.

Privacy

Responses may be provided to the MSAC, its subcommittees, a health technology assessment group and the applicant. Should you require de-identification please contact the HTA team (details below).

While stakeholder feedback is used to inform the application process, you should be aware that your feedback may be used more broadly by the applicant. Responsibility for copyright in submissions resides with the author(s), not with the Department of Health.

Your submission and contact details will be stored in accordance with the Privacy Act 1988 and the Archives Act 1983. Should you have any concerns about the storage of your submission, or if you wish to gain access to make a correction, please contact commentsMSAC@health.gov.au and cc: pharmacy.trial.program@health.gov.au. A copy of the Department's privacy policy is available on request. If you wish to make a complaint about the handling of your private information, you may contact the Department of Health Privacy Contact Officer and, if unsatisfied with the response, you may submit a complaint to the Office of the Australian Information Commissioner.
